Department of Parliamentary Services

... Approved Contractor

Amanda Saunders is the newest addition to the Rork team and is based in our Canberra Office in a Contracts Administrator capacity.

After 4 years as part of our on-site team, Amanda brings valuable experience and a wealth of knowledge from our sites to the Contracts Administrator role in-house.

Congratulations to Amanda on her promotion !

Rork Interiors are proud to announce its successful inclusion on the Department of Parliamentary Services ' multi-use list for the provision of construction works and services. Our inclusion as an approved contractor is further testament to our head contractor abilities, ever increasing accreditations and growing portfolio of clients. We look forward to providing the Department of Parliamentary Services with our renowned professional value adding services.

Rork achieves further Accreditations ...

Rork Interiors are constantly striving to attain industry best practice. We are committed to enhancing all of our operating procedures as our business grows. Following a 3 day certification business review of our Integrated Management System to the certification standards, Rork has been successful in achieving certification for Quality (ISO 9001), Occupational Health & Safety (AS/NZS 4801) and Environment (ISO 14001) .

Rork wishes everyone a happy & safe Christmas & a prosperous New Year. We look forward to catching up with you in 2012

The fitout of Rork 's new Canberra office is now complete. We would like to thank everyone who contributed to our successful fitout. Please feel free to visit us at "Football House" 3-5 Phipps Close, Deakin.

... A Fit Out of Our Own

" ... I saw one of your Utes ... "

Rork Interiors have invested in a number of technology driven marketing exercises to increase our company 's exposure and brand awareness. This form of marketing is proving successful with our continued expansion in both Sydney and Canberra.

However, it is our utes with their traditional vehicle graphics that are still setting the pace. In-house research indicates that the striking Rork Interior 's Utes still entice more 'first time ' customers to call us than our online efforts. With their numbers increasing, look out for them around town.

Each year Rork Interiors are proud sponsors of the Mix 106.3 Make a Wish Children 's Christmas Party—and this year is no exception !

DEFENCE FORCE RECRUITING (Designer: Interiors Australia)

On behalf of Defence Force Recruitment, Rork were engaged by the project management firm, Andis Consulting, to complete a 1,700m² fitout including base building upgrade in a fast-tracked 7 week time frame. The stakeholders involved in this project included: Canberra Airport Group, Manpower, Defence Force Recruitment, Interiors Australia, Lincolne Scott and Certified Building Solutions.

CHERRYBOOKS, SYDNEY (Designer: Archizone)

Rork Interiors were approached by Mirvac to assist with the upgrade & renovations to one of their tenancies, Cherrybooks, within their Shopping Centre at Cherrybrook. The fresh look resulted in an immediate 20% increase in sales and positive comments from the Cherrybooks customers.

MCGRATH, WODEN (Designer: Allister Jennings)

McGrath real estate continues to use Rork interiors for fitout works with Woden being the latest project to be completed. The sleek, professional and approachable image of the Woden store really stands out in its surroundings and has received much acclaim. The project was delivered to the high satisfaction of both the project managers, Point Project Management and the client.
