Further Accreditation ... 2012

Rork Interiors continues to enhance it's industry best practice approach to construction. Following on from our Quality ISO 9001, our Occupational Health and Safety AS/NZS 4801 and our Environmental ISO 14001 accreditations, Rork Interiors are currently being evaluated for the Federal Safety Commissioners (FSC) accreditation. This next step is further testament to our head contractor abilities and reaffirms our committed to enhancing all of our operating procedures as our business continues to grow. Our ever increasing portfolio of clients will feel the benefit of this accreditation.

Vanessa Clark has been appointed as the new Rork Office Manager. She has over 15 years of Administration and Project Co-ordination experience as well as the last 2½ years in the building and construction industry. Her primary focus is to re-new, update and maintain their Integrated Management System as well as assisting with EOI's & Tenders and ensuring the Rork office runs at maximum proficiency. Another great addition to our team and we wish her all the best.

Master Builders Awards 2012

Rork Interiors have had two recent projects nominated as finalists in this years Master Builders Awards. Both projects were nominated in the Commercial Office Fitout category.

The two projects were:

1. Defence Force Recruiting Fitout 1700m2 Fairburn, Canberra Airport
2. eWay - New Head Office Fitout 950 m2 Phillip. Canberra

McGraths Awards Night 2012

Rork Interiors sponsored the McGrath 2012 Awards night which was attended by our Sydney team. Rork has completed several fitout projects for McGrath in Sydney and Canberra during the last twelve months. The McGrath brand stands alone and this is reflected in their unique office design. Refer to completed projects www.rorkinteriors.com.au. Rork acknowledge McGraths achievements that has seen many new offices around Australia and look forward to working with them in the future. Congratulations.

McGrath

Congratulations go to our Senior Site Manger Shane Kennedy. He and his gorgeous partner Alicia Loveless have finally announced their engagement. We wish them all the very best for their future together.

Creative Thinking (found on twitter) . . .

Rork Interiors building Australia from the inside out

ABORIGINAL HOSTELS, PHILLIP (Designer: Interiors Australia—Canberra)

Rork Interiors won a very competitive lump sum tender for the project and were appointed by IA Group for the fitout and refurbishment of the 1500m2 Aboriginal Hostels new Head Office in Canberra. The fast track project was delivered to the high satisfaction of all stakeholders.

FAHCSIA, COFFS HARBOUR (Designer: Interiors Australia—Sydney)

Rork Interiors also won the office fitout for the Coffs Harbour regional office for FAHCSIA. The project is in two stages. Stage one has just been completed, and FAHCSIA stated that Rork exceeded all of their expectations. The FAHCSIA staff were very excited to move into their new space. Stage Two is due for handover in three weeks.

FAIRWORK OMBUDSMAN, SYDNEY (Designer: Quattro Interiors Studio)

This project consisted of a fitout of approx. 600sqm over 3 levels in a fully occupied office. Works were staged and included a full strip out of approx. 500sqm to create an open floor plan, services were re-configured, 50+ new workstations were installed and a new operable wall was added to the boardroom. The Client was extremely pleased with the execution of the staging process and the overall result of the modernised office space.

LODESTONE MANAGEMENT CONSULTANTS, CANBERRA (Designer: Dune Design)

Rork Interiors were appointed by the client to manage the entire office fitout project from design through to delivery. This budget conscious fitout achieved an aesthetic result, coupled with exceptionally high quality workmanship, that far surpassed our clients expectations. The corporate identity and functionality of the design yielded an office that is operationally effective and yet looks every part the professional environment that matches the company ethos.

eWater, Healing Foundation, Dept. of Finance , Candle, DIAC and DLA Piper have been completed or commenced (just to mention a few) and will feature in our future issues

... Contractors Login

We've had some very positive feedback from our contractors in relation to the Contractor's Login area of our website. The process begins with a quick email from our Estimator, outlining a prospective project. In the same email, the contractor is provided with their username and password. This feature makes the whole process fast and efficient and saves a lot of time when pricing a project.
