ACT Pre-qualification Success

Rork Projects is pleased to announce it has been granted approval for prequalification under the ACT Government Construction Industry Agent and Contractor scheme. The services, roles and fields of work covered in this approval are Agent - Construction Management Services (CM) and Contractor - Contractor Building (CB).

Rork continues to grow! Welcome to...

Ewan Martin—Site Manager

With 10 years of experience in the building industry, Ewan joined Rork with extensive experience working on many large projects across Sydney. Ewan takes pride in delivering outstanding work. Client relations and OH&S practices are areas that Ewan prioritises on all his sites, particularly ensuring the safety of all involved throughout the life of the project.

Greg Morrison—Site Manager

Greg has over 30 years experience within the construction industry, mainly in large commercial construction. Greg holds an Associate Diploma of Science (Building). Recent projects that Greg has worked on are the Telstra Exchange (\$26 million), St George Head Office (\$59 million), the Anglican School Corporation (12 schools) and Aged Care Facility Auburn (\$3.3 million).

Rork Touching up on our skills...

We need your support! Rork Projects are putting together a dynamic team to take part in the Future Directions Touch Rugby Tournament. So on Thursday 4th April come down to support us from 1pm at the Deakin Playing Fields, Makin Place, off Denison Street. The team is made up of staff and subbies so we are hoping to take home the title with our super-fast and super-enthusiastic group of players. Heading up the team is our fearless leader Brian O'Rourke (Pictured ...many years ago!).
